ROAD CLOSURES - AUGUST 2022

Please note below the programme of works for August through until Wednesday 31st August 2022. Any changes to the programme are shown in **red**. The programme can change at any time, and sometimes at very short notice, so please keep an eye on [Twitter](#) or [Facebook](#) for all latest updates. Alternatively, please visit [one.network](#) as this shows all road works currently in place on the network, whether this be traffic lights or road closures. Please also note that any surfacing works may also include preparatory works, white lining and stud works, if applicable. Any queries, please contact Herefordshire.projectcomms@balfourbeatty.com.
